

53A-3-413. Use of public school buildings and grounds as civic centers.

(1) As used in this section, "civic center" means a public school building or ground that is established and maintained as a limited public forum to district residents for supervised recreational activities and meetings.

(2) Except as provided in Subsection (3), all public school buildings and grounds shall be civic centers.

(3) The use of school property for a civic center purpose:

- (a) may not interfere with a school function or purpose; and
- (b) is considered a permit for governmental immunity purposes for a governmental entity under Subsection 63G-7-301(5)(c).
